Depending on the number of teams and at the Convenor(s)' discretion, 1 or 2 crossover games may be added between divisions as part of league play. Due to the constant change in declarations of schools in this sport, divisional adjustments will be at the discretion of the convenor. A/AA will play an interlocking schedule.

Forfeiture due to lateness will be at the discretion of the referee (a guideline of 15 minutes). In the event that a game must be stopped due to inclement weather or other unforeseen circumstances (at the discretion of the referee), the game shall be deemed complete if 25% or less of the game remains. No game will be cancelled unless prior notice of one week has been given, and written approval granted in writing, by the league convenor in consultation with the coaches involved and the referee-in-chief. All games, both league and exhibition, should be supervised by a qualified referee. It will be served in their next consecutive league or playoff game. Any player who receives his 5th yellow card during the season is ineligible to play for the remainder of the season, including playoffs. It is the responsibility of the coach to track, enforce and report any suspensions resulting from yellow or red cards. Any player receiving 2 suspensions in the same season must appear before a review board, as appointed by the convenor. The use of foul language on the field will result in a yellow card. Coaches may also be suspended for an additional game at the discretion of a review board. Goalkeepers are excluded from being substituted due to a yellow card infraction.
8. It is the coach's responsibility to instill and maintain discipline among his players, as well as to model good sportsmanship.
